

# Batteries for Dollars Fundraiser

## 1-800-478-2591

### EARN UP TO 50% PROFIT

Is your organization tired of selling over priced products for fundraisers? Are you tired of selling cookie dough, candles, paper and etc? Why not sell something that everyone uses on a daily basis? Our unique fundraiser provides the industry's best batteries to the consumer at comparable prices. Panasonic Industrial batteries are not sold in retail stores and are manufactured and packaged for demanding industrial and professional applications. Now you can use the same batteries used by police departments, government entities, Broadway shows, concert tours and many more. Modern electronic devices such as remote controls, toys, games, and gaming systems result in a constant use of alkaline batteries. Now with the Batteries for Dollars fundraising program you will save money, get a longer lasting alkaline battery, and support your local organization.

**Panasonic Industrial Batteries Performance when it counts!** Panasonic Industrial Batteries are specially designed to provide users with a power reservoir that enables them to last longer - even under the abuse they're likely to take in industry and professional applications.

**Great profit margin for the organization!** Your organization can earn up to 50% profit! Each pack of batteries sold earns you \$10 per pack. (see chart below)

**Great customer service!** Jireh Supplies offers the best customer service in the industry. We will be here to support your organization and the customer.

**No minimum order!** Order as few or as many packs and as often as you like.

**Quick turn around!** We will process your order as quickly as possible (a few days to a week in most cases.)

**No Risk!** 100% Satisfaction Guaranteed. No upfront cost!

### *Here's How it Works*

- 1. Participants present the Batteries for Dollars brochure to their family, friends, church, co-workers and neighbors they know.**
- 2. Collect payment as orders are taken with checks made out to your organization**

3. Your organization tallies your orders and funds. Make a copy of each order and fax or mail the copies to Jireh Supplies.
4. Send us one check made out to Jireh Supplies Inc. for the total cost of your sales along with copies of all your order forms to Jireh Supplies, 117 BUFORD DR, Lawrenceville, GA 30046 Attention: Batteries for Dollars.
5. Your organization provides the shipping address for battery delivery and depending on the amount of batteries sold, batteries may ship via freight truck
6. Jireh Supplies Inc will ship the total quantity of batteries ordered to your organization. The organization is responsible for assembly and distribution of individual orders. Please allow 5-10 days for processing and shipping.
